OFFENSE – COMMUNITY IMPACT STATEMENT

An Offense Community Impact Statement is a tool designed to communicate to the Court how certain criminal behaviors negatively impact the community.

Although I have not personally observed this specific defendant engage in criminal behavior, persons who engage in the crime of _____ negatively impact my community in the following ways:

1. I have personally observed unidentified persons engage in the following behavior (i.e flagging down cars):

   _____

   _____

   _____

   _____

2. I have personally observed the following circumstantial evidence of this criminal behavior (i.e. used condoms/crack pipes): _____

   _____

   _____

3. Between _____ and _____, I have observed the above-described
   date date
   behavior/evidence an average of _____ times a _____(day/week/month)

4. This criminal behavior causes me to feel (angry/scared):_____

   _____

   because _____

   _____

   _____

5. As a result of these feelings/concerns, I have altered my lifestyle in the following ways:

   _____

   _____

   _____

Court Watch Number _____ Dated: _____
or
Name and Contact Information _____
