Re: Hennepin Ave. S. Reconstruction

Dear Mayor Frey and Project Team,

On behalf of the Board of Directors of Nice Ride Minnesota, the nonprofit, I am writing to express our support for the recommended design for the Hennepin Ave. S. Reconstruction published by the Public Works Department on December 7. We believe this design meets the goals of the Transportation Action Plan and will benefit drivers, pedestrians, and cyclists by replacing the white-knuckle lane-changing we experience now with safe places for left turns, for crossing the street, and for biking to a restaurant or store. We believe the best way to restore the vitality and excitement to this commercial corridor is to make it feel safe and welcoming to all.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bill Dossett'.
